1st \$60, 2nd \$30, 3rd \$15

Donated by KANGAROO VALLEY POST OFFICE

Each Team Member must be 10 years of age & under 15 years of age

RULES:

The object of the event is to stack 20 bales of hay (MEN & LADIES) or 15 bales (JUNIOR) to be the greatest height as quickly as possible. No extra bales of hay will be given during any one event to replace broken bales. Teams will consist of three (3) members.

The bales of hay shall be picked up and carried (not thrown) from the start line 10 metres to where the stack should be built. One (1) team member must finish seated on top of the highest bale and the stack must stand unaided for a minimum of 5 seconds - then may be held by members of the team until measured.

Teams will have a maximum of three (3) minutes to finish in heats and two (2) minutes in the final. There will be a whistle sounded 30 seconds before full time. Teams will be notified when time is up by 2 sounds of whistle at which point they must cease building and sit on the top bale (not all bales have to be used). Where more than 1 team finishes with stacks the same height (measured to the highest bale), the fastest will win.

Heats of 2-3 teams will be run with the highest and fastest overall progressing to the final. Highest three (3) teams to go into the final.
